Subject: Application for School Inspection for Issuance of Building Safety Certificate.

Dear Sir,

This has reference to our application for School Inspection for Issuance of Building Safety Certificate vide our letter CPWS/ADMIN-APP/04/March 2020 dated 16/03/2020 (Enclosure No. 2).

As per CBSE Directives, we need to have an inspection conducted by a team of members designated by you from the appropriate department under you and hence request you to kindly depute a team to visit the school and conduct the inspection at the earliest and issue the required certificate.

Please find enclosed the CBSE Circular No. 01/2012 dated 8th June 2012 to this effect and a prototype of the certificate to be issued.

We would be much obliged if you could let us know the tentative date in advance and guide us on how to proceed hereafter.

Thanking You

Yours sincerely

Prerna Hiradhar
